### Amy Wacek

Hello GoMoms! My name is Amy and my husband is Ray. Our oldest is Vanessa at 4.5 years old and then we have b/g twins Jocelyn and Nathan who are 9 months old. I am from NY and my husband is from PA. We moved to Michigan right after getting married in 2005 so my husband could get his Masters at the University of Michigan (Go Blue!). Then we moved to Troy when my husband was at GM for a year. I work from home doing process improvement for Ricoh. In our free time we love to play outside, go to festivals and outdoor concerts in the summer, have dance parties and read. I am very grateful for having found this group and the resources within it. We have enjoyed the different activities and meeting such great people!

### New and returning goMOMS Members!!

Welcome to goMOMS!!! We are glad that you found our group, where Moms of Multiples can share their experience with the joys and adventures of raising multiples.

In our newsletter, the Meet Our goMOMS section is a place where members can introduce themselves to the group in a handful of sentences (age of twins (or due date), hobbies, interests, city you live in and anything else you choose to share) and include an image.

Introductions and images can be sent to, Marisa Kallie, goMOMS Newsletter Editor, [gomomsnewsletter@gmail.com](mailto:gomomsnewsletter@gmail.com)

## Jennifer Spiers

I'm a CPA and work full-time with Fiat Chrysler Automobiles (formerly Chrysler) in Auburn Hills in their Corporate Controller group specializing in technical accounting. I moved to Bloomfield Hills, Michigan from Virginia in August of 2014. I lived in Virginia, with my now ex, for the past 9 years. Anticipating 40, I realized that I needed to make a final decision on having children which is something that I've always wanted. I decided that I wanted children, unfortunately he did not. So here I am, after making one of the most difficult decisions I've ever had to face. I went through IVF treatment in October and now I'm five and a half months pregnant with twins (boy and girl). I am thrilled but terrified at the same time. I met a goMom at a Christmas party in December and she mentioned how great the group was and that I should get involved. I've been to a couple meetings now and have to say that I'm impressed and look forward to becoming more involved with the group in the future!
