

On Tuesday, June 9th, goMOMS will be hosting the annual goMOMS Installation Dinner at The Detroit Zoo at 7pm.

goMOMS wants to thank everyone who has volunteered throughout the year, from putting away chairs at the end of a meeting to lending a helping hand at an event, every bit helps!! We couldn't do it all without the help of our members!

As an additional thank you, each volunteer has had their name entered in to a raffle to show appreciation. The raffle to win some awesome prizes will take place during the goMOMS June Installation Dinner.

Thank you again for a great goMOMS 2014-2015 year!

### Laura Shullman

My name is Laura Shullman and I live in Beverly Hills with my husband of almost 4 years, Graham. I am a manager of a local Michigan-based bank and my husband is a financial advisor. I enjoy flea markets, bike riding, an occasional yoga class and wine. Our dog Greta, a husky/shepard mix, is our baby....until this September.

We have struggled to get pregnant ever since we got married and we were determined to have a family. For the last 2.5 years, I have been to 2 doctors, had 6 iui cycles with various medication support, 1 chemical pregnancy, months of highs and lows, months of taking time off from treatments and 1 final attempt with IVF. I am happy to report that we are expecting our miracle triplets sometime this September.

I am so excited to have found goMOMS! Not only am I thrilled beyond belief for these miracle babies, but I am scared to death. I never thought in my wildest dreams that I would become a mother of 3 at one time!!! I attended the recent Mom's Night Out and met many wonderful people, received some great tips and even shared an email with a lovely lady (Marie) who provided me with endless information about her triplet knowledge. Thank you, Marie. I attended the goMoms sale and found amazing deals and great clothes. I can't thank you enough for everything that this organization has already given to me. I look forward to becoming an asset to this group, making new friends and helping others.

Introductions and images can be sent to, Marisa Kallie, goMOMS Newsletter Editor, [gomomsnewsletter@gmail.com](mailto:gomomsnewsletter@gmail.com)

## Melissa Trella

Hello GoMoms! My name is Melissa and my husband's name is Adam. While going through IVF I took time off from full time work and coached cheerleading. Adam is a Mechanical Engineer who works for an automotive supplier in Auburn Hills. After meeting in 2008, we lived in Japan and in Royal Oak before settling back in my hometown of Lake Orion where we are currently live.

We have 12-week-old boy/girl twins Gage and Everly. I am so excited to be a part of this group and can't wait to make friendships and learn tips from you moms who have already gone through this crazy fun adventure being a mom of twins!

### Katie White

Hi goMOMS! My name is Katie and my husband is Toby. We've been married for 6 years and have 6 month old fraternal twin girls, Brynn and Elise. They were born in November, 2014 at 38 weeks with thankfully no NICU time. We live in Bloomfield Hills and I'm currently a stay-at-home-mom, but prior to the girls I worked as an engineer for GM for 13 years. I am a new goMOMS member and am really looking forward to meeting everyone and learning as much as I can!

### Kate Hallett

I am so excited to have found GoMoms and can't wait to get involved with the organization. My husband, Kevin, and I were blessed with twins on February 23, 2015, Stella & Hunter. I am a CPA and work at Fiat Chrysler Automobiles in the Finance Department. In my spare time I love baking, gardening and going to barre classes. I look forward to sharing this journey ahead of me with all of you moms!

## Erin Spies

Hi goMOMs!

After three years, we were blessed with boy/girl twins Connor and Sadie. They are now five months old and already a handful...or two! We could never have predicted how much they would change our lives, but we wouldn't have it any other way.

Lance is my husband and my rock. We have been married since August 2011 and we live and play in Orchard Lake. Just before I got pregnant, we bought a pontoon and now we can't wait to get the babies out on Upper Straits lake! I work for Pandora radio in Birmingham as a Supervisor of Account Management. I love my job as much as I love music of all genres.

I have been to a couple of monthly meetings but it's tough to get away with the babies being so young, especially now that I'm back to work full time. I look forward to being a lot more involved with goMOMs. I'm really impressed by those of you I have met already. If I haven't met you yet, I hope to do so very soon!

## Tiffany Skop

Hello, my name is Tiffany, and I am so excited to be a part of this group! A little bit about me: I've been married to my wonderful husband Gary for 5 years now. We have a 2 1/2 year old daughter named Lily, and I am expecting twins September 9th. We were excited to find out that Lily will be getting a little brother AND little sister! Right now I love to take Lily out and about and she loves to shop (such a girly girl like her momma). I know nothing can prepare me for the adventures that are ahead so I'm glad that I found a place to somewhat prepare me!
