Suzie Wanstreet

Hi goMOMS! I am the mom to 3 energetic and loving children, Nate (6 1/2) and identical twins, Hannah & Sophie (4 1/2). My husband, Mike, and I live in Troy and will celebrate our 20th wedding anniversary later this year. Even though I was shocked and terrified when I found out I was pregnant with twins, I cannot imagine anything different now. Life flies by and is busy, hectic, crazy AND fantastic!

I am a CPA specializing in tax and work a lot from January to April. The rest of the year I work a somewhat reduced schedule and keep busy with volunteering at the elementary school, running my kids around town to their sporting events and social activities, involvement in our home owner's association (treasurer) and the Boys & Girls Club of Troy (board member), keeping our house under control and trying to find time for fun activities.

I enjoy reading, shopping, biking and spending time with family and friends. Every month I have great intentions of attending goMOMS events, but something always pops up and I am unable to attend. I hope to see everyone soon!

New and returning goMOMS Members!!

Welcome to goMOMS!!! We are glad that you found our group, where Moms of Multiples can share their experience with the joys and adventures of raising multiples.

In our newsletter, the Meet Our goMOMS section is a place where members can introduce themselves to the group in a handful of sentences (age of twins (or due date), hobbies, interests, city you live in and anything else you choose to share) and include an image.

Introductions and images can be sent to, Marisa Kallie, goMOMS Newsletter Editor, gomomsnewsletter@gmail.com

Amanda Keyser

I have been married to my husband John for almost 7 years. We moved to the Seattle area within weeks of getting married due to a job opportunity and the craving for an adventure. We absolutely loved it out there. Jobs brought us back to our home state about 3 years ago and boy were our parents excited, especially when we found out we were pregnant with twins! Our boys (Austin & Greyson) were born June 18 at 34w5 and spent about 2 weeks in the NICU. Looking back we were so thankful to have the hands on training of the wonderful NICU nurses! Although my career has been in Early Childhood Development, as I have taught Kindergarten readiness programs as well as managed several early childhood centers over the last 15 years, none of that has prepared me for mothering twins! ;) I am blessed to be able to stay home with them full time although I do miss the social aspect of working. The time is just flying by so I am trying to enjoy every bit of it as everyone says how fast they grow... so unbelievably true! I am so thankful for the GOMOMS group, especially the FB discussions since I haven't made it to many meetings yet. The meetings I have been able to make it to have been great, especially the mom's chat. I look forward to meeting more of you and having play dates as my munchkins get bigger!
