

Dear Sir or Madam,

Greater Oakland Mothers of Multiples (goMOMS) is a nonprofit organization that brings together mothers of twins, triplets and more from Oakland County and beyond to support each other in the unique situations encountered with the pregnancy and raising of multiples. Currently our club has more than 100 members who enjoy our monthly meetings. During these meetings we discuss parenting and multiple-related issues and have a variety of activities including speakers, child development and health & safety training sessions, crafts or how-to information sessions. In addition we have a full website, hold biannual used clothing and equipment sales (which are open to the public); hold family events such as holiday parties and a summer picnic, and maintain a library of books and magazines specifically geared toward raising multiples. Each year we have several philanthropy projects our group participates with. In years past we have adopted a family in the surrounding community presenting them with clothing, food, and gifts. We have also donated to local food pantries as well as provided preemie clothing and blankets to the NICU hospitals in our area.

Since we are a nonprofit organization and operate on a small budget, we rely on fundraisers to help offset the costs of providing our members with these benefits. We hold an annual fundraising auction in the Fall and other raffles throughout the year. We are in need of goods and/or services to be donated for this year's auction on **November 10, 2021**. All contributions are tax deductible and a donation receipt can be supplied.

Greater Oakland Mothers of Multiples would greatly appreciate a donation from you. In gratitude we will publish an announcement of your donation on our website. We will list your company on the donor page of our website, www.gomoms.org, and, if you would like, link it to your home page. (Please include your website information with your donation.)

Thank you for your support,

Nicole Gaynier
